

# Van Buren Fall Festival

## River Jam 2023

October 7<sup>th</sup>, 14<sup>th</sup> & 15<sup>th</sup>, 2023

We continue to work diligently to grow the Van Buren Fall Festival and River Jam events to show more people/tourists what the City of Van Buren and the Carter County area has to offer. In order to make this year's event an even bigger success, we are seeking sponsors and advertisers that would like to be featured during the Fall Festival and River Jam 2023. We will be hosting two separate events and sponsors will be listed in our advertising efforts, during the event and on our social media and website postings with links to the sponsors website. The information below lists sponsorship options. If there are other ways you believe we can work together, please contact Rickie Maples at the number below.

Thank you in advance for your consideration and generosity.

---
